

Career support for international students of all disciplines

Do you want to prepare for a your
career start?

- build a network
- gain your first work experience
- plan your next career steps

We offer valuable support on every step of
your individual path. Our wide range of events,
working material and services helps you to
start your career journey!

The InDiGU-PLUS project is an extracurricular
program offered by the University of
Göttingen that supports you throughout your
entire student life cycle, enabling you to
successfully complete your degree and
smoothly enter the German job market.

The following university institutions are
involved in the InDiGU-PLUS project:

- Career Service
- Göttingen International & Start Guides
- Key Competence Area Intercultural
Interactions

With funding from the:

Federal Ministry
of Research, Technology
and Space

Deutscher Akademischer Austauschdienst
German Academic Exchange Service
