We respectfully inform you that the Faculty of Forestry and Environment, IPB University, will hold ***"the 7th International Summer Course on Forestry and Environment: "Beyond the Tree Line: Balancing Reforestation and Land Use in Mountain Ecosystem"*** (ForSC 2026) on 8 – 12 June 2026 (online) and 22-26 June (onsite and field learning) in Bogor and Cianjur, Indonesia, employing problem-based and field-based approaches. This activity will be conducted in conjunction with **the Youth Initiative Contest entitled "Youth Ideas for Balancing Reforestation & Land Use in Mountain Landscapes"**. The event is recognized to equivalent to 4 credits with a total of 180 learning hours.

On behalf of the organizing committee, we are pleased to invite **3 (three) representatives of undergraduate students** from your institution to participate in this program. For these selected delegates, we will provide a full scholarship which covers:

- Program/Course Fee waiver.
- Accommodation and Meals during the on-site program in Indonesia.

We also welcome other students to participate as regular participants (details on fees and registration are provided in the attached poster).

Please submit the student appointment form or register via the following link: <https://ipb.link/forsc-global2026> no later than **May 29, 2026**. Should you have any inquiries, please contact our committee at forsc@apps.ipb.ac.id.

Thank you for your cooperation and support.
